INCUBATING INNOVATORS

Office Circular

Date: 29/10/2018

Subject: Credits for Foundation Course (AY 2018-19)

In continuation to the circular dated Nov 01, 2018' it is informed that **a three week Foundation Course for new batch of students enrolled in 2018-19; will be commencing from 12 Dec, 2018 onwards** with a view to acquaint fresher's with ethos of university, building self-confidence, explore creative pursuits and developing them in well-rounded global citizens. It is further to inform that **2 credits will be awarded for the entire Foundation Course, based upon the attendance, active participation, group performance and assessment through different sessions based on faculty and mentor's feedback.**

Trust us, this program will help students nurturing influential and effective leadership skills, communication skills, Social and moral responsiveness and developing insight about industrial practices and technical skills for carving their future careers. Thus, **your active and whole hearted participation is mandatory.**
